ABOUT ME

I like to think of myself as a very straightforward individual. I keep my nose to the grindstone and aim to be the kind of person I would want as a coworker or employee. I'm adept at a variety of skills and a fast learner to new ones.

Work experience

Operations Administrator

February 2020 - Now

FedEx Ground – Performing a variety of tasks including processing and coordination of internationally-bound shipments, inter-carrier resolutions, hazardous materials handling, and internal auditing and quality assurance.

Technician

June 2016 - February 2020

Cropwell Small Animal Hospital – Assisting the senior veterinarian with a variety of duties including pre- and post-surgery preparation and cleanup, routine care of hospitalized animals, and assorted office duties.

Education

University of Maine at Presque Isle – Bachelors of Arts in Business Administration - Supply Chain Management

2022 - 2023

Auburn University

2014 - 2015
